Nigeria's paints and coatings market value.

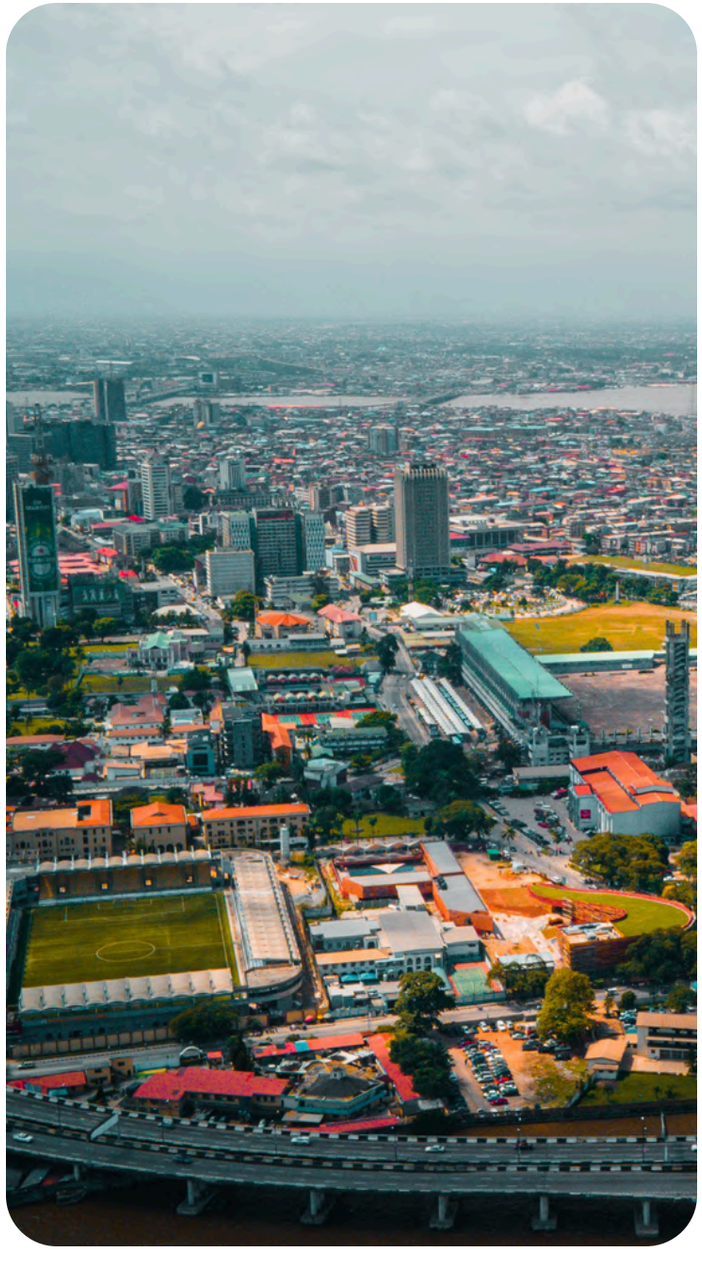

7.2%

Compound annual growth rate to 2033

What's driving the growth?

Nigeria's paints and coatings market is entering a strong growth phase, fuelled by rapid urbanization and major infrastructure investment across residential, commercial and industrial sectors. With construction projected to reach USD 25.77 billion by 2029, and landmark developments such as Eko Atlantic City and Centenary City driving demand, **West Africa Coatings Show connects your business with the key decision-makers driving the region's coatings industry.**

The brands that walked the floor in 2025

SOME OF THE LEADING BRANDS WHO VISITED IN 2025

Every part of the coatings supply chain, **under one roof**

Five sectors. A wide range of products.

01 **Chemicals and Raw Materials**

02 **Laboratory and Packaging Equipment**

03 **Testing and Measuring Equipment**

04 **Plant and Machinery**

05 **Other Coatings Products**

01

Chemicals and Raw Materials

WHAT YOU WILL FIND

- Additives
- Binders
- Biocides
- Chemicals
- Extenders & fillers
- Oils
- Pigments
- Polymers
- Resins
- Solvents
- Speciality chemicals

02

Laboratory and Packaging Equipment

WHAT YOU WILL FIND

- Conveying systems
- Coolers
- Filling systems
- Filters
- Kneaders & extruders
- Labelling machines
- Metering devices & balances
- Mills
- Mixers
- Packaging materials
- Pipe technology
- Screening machines
- Tinting systems
- Other laboratory & production equipment

03

Testing and Measuring Equipment

WHAT YOU WILL FIND

- Accelerated weathering
- Corrosion testing
- Gloss & colour measurement
- Other testing & measuring equipment

04

Plant and Machinery

WHAT YOU WILL FIND

Dispersers | Drums | Filling & packaging equipment | Filters | Labelling | Mills | Mixers | Process control | Pumps | Tinting systems

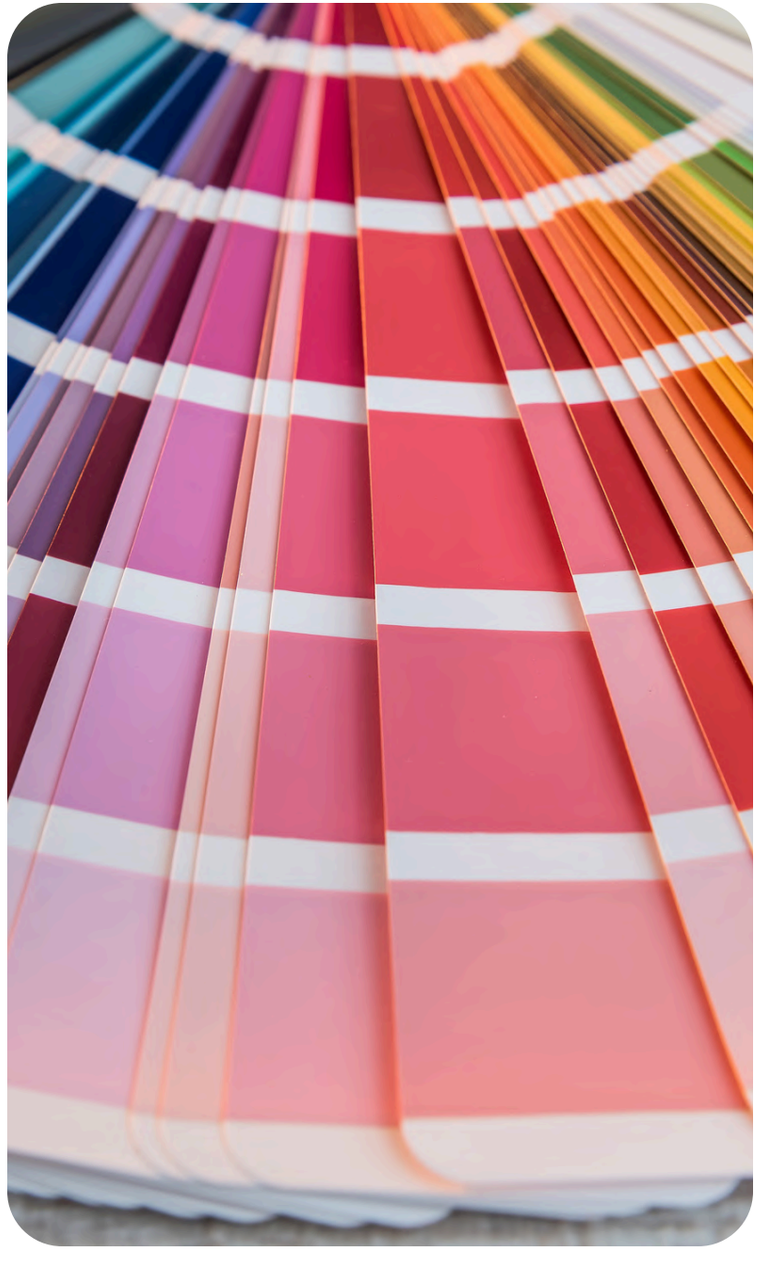

05

Other Coatings Products

WHAT YOU WILL FIND

- Colour cards
- Colour forecasting
- Environmental protection & safety at work
- Health & safety

Four reasons to **book a stand**

Generate leads

Meet buyers actively sourcing products and solutions, and turn face-to-face conversations into new business leads.

Create opportunities

Build relationships with manufacturers, distributors, buyers and technical specialists from across the coatings industry.

Expose your brand

Put your brand at the centre of the conversation and build visibility with key industry stakeholders in West Africa.

Gauge the market

Showcase your latest products, hear directly from customers and gain first-hand insight into what the market needs.

WHO EXHIBITED

115 exhibitors from 12 countries

SOME OF OUR 2025 EXHIBITORS

ChemTalks gives exhibitors the opportunity to showcase their products, expertise, and ideas beyond their stand. Across 7 sessions on the second day of the show, exhibiting companies can present their latest products and innovations live to an engaged industry audience. Use this platform to demonstrate your expertise, introduce new solutions, and explore the technical topics that matter most to potential clients.

6 Chem talks

FORMERLY BUSINESS PRESENTATIONS HUB

Put your expertise on stage.

01 **7 sessions will take place on day 2 of the show**

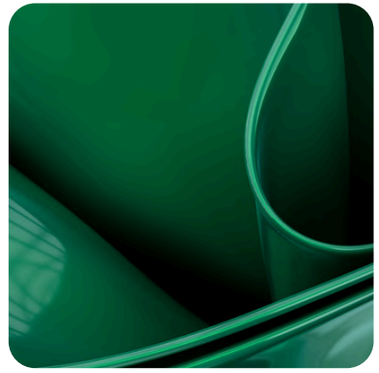

02 **Present your latest products and developments**

03 **Engage directly with an industry audience**

Please note that slots are limited and allocated on a first-come, first-served basis.
